work experience **Open Hospitality**  
*front-end developer ( 2006 - present )*  
Worked for a web company as a front-end developer in NYC. In collaboration with the designers, developing websites using technologies such as XML, HTML, CSS, JavaScript/jQuery, ActionScript 2.0/3.0 and simple ASP.

**FusionLab**  
*freelance ( 2007-2008 )*  
Worked as a freelance actionscript programmer for flash video websites.

**Forescene Inc**  
*web designer & developer ( 2007 )*  
Contracted for a web company as web designer and developer in NYC. I was commissioned to work on a number of various special projects. Along the way I gained new knowledge in the importance of web standards and accessibility. Other aspect's included: Corporate Identity, E-commerce website design and Interface design.

**Push and Train**  
*freelance ( 2007 )*  
Designed and developed the website, within a budget, for Push and Train.

**FredNY**  
*freelance ( 2007 )*  
Worked as a freelance flash developer in NYC, specializing in high-end digital retouching.

**New World Group**  
*flash designer ( 2006 - 2007 )*  
Worked as an inhouse flash designer and programmer building interactive websites.

**WDDG**  
*Intern ( 2006 )*  
Created and prepared media for websites including sounds, videos and graphics.
